EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Curt Harrington on November 4, 2004. The purpose of the examiner's amendment was to place the application in condition for allowance.

Additionally, during the course of the interview, the examiner confirmed with applicant's representative that the phthalocyanine pigment as claimed is included as a permanent part of the structure of the porous resin stamp body rather than as a part of a material combined with the stamp body to form the stamp, such as an ink.

2. The application has been amended as follows:

In claim 9, on line 2, -- 3 -- has been replaced by "6".

In claim 13, on line 2, -- 5 -- has been replaced by "10".

In claim 14, on line 2, -- 6 -- has been replaced by "9".

Claims 3, 5, 11, 12, 17 and 18 are confirmed as being canceled.

It should be noted that claim 16 is currently amended and not originally presented, as the claim identifier implies.

3. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or render obvious a porous resin stamp as claimed, particularly having phthalocyanine pigment included as a part of the permanent structure of the stamp to be used as a heating material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jill E. Culler whose telephone number is (571) 272-2159. The examiner can normally be reached on M-Th 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Hirshfeld can be reached on (571) 272-2168. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
